Principal's Report:

Update given by VP Michelle Conroy. Past SAC meetings have discussed 3rd & 4th grade testing. FSA for these 3rd & 4th Grade students begins this week.

Today discussion centers on 5th grade assessments that are to begin on Monday, 4/13 – Friday, 4/24. Volunteers are still discouraged throughout the building on those testing days. FSA testing for our 5th graders is on computers in Reading and in Math. FCAT will remain the assessment used for Science.

Final Notes:

SAC Meeting for May needs to be rescheduled due to the 5th grade Recognition Ceremony at Pacetti Bay Middle School. New date suggested: May 19, to be held off-campus. Jamara Washington made the motion to approve. Nerissa Hartford seconded. SAC Co-President suggested to all present to finish the year strong in our SAC Meeting attendance in order to eliminate the need for a June meeting.

Next SAC Meeting is April 28, 2015.

Meeting adjourned at 4:26 PM.
