Millage Rate Information

Michael Degutis

Nicole Cubbedge

-Talked about the ½ cent sales tax and what the money goes for – needs that our district has. The money is used for building new schools and to contribute to the construction so that we can keep up with the growth of our community.

- ½ cent sales tax also went to fund the security name tags that we are now using in the district. The name tags allow us to keep entrances and doors with a swiper to keep staff and students safe. The Centegix system allows staff members to immediate access to help in need of a medical or security issues.

- ½ Cent sales tax also was used to fund the purchase of technology (ScreenBeams) for classroom use. Screen Beam allows teachers to connect their computers to the screen and it becomes an interactive whiteboard.

- ½ Cent sales tax will allow us to keep up with technology, construction of new schools and maintenance on existing schools.

- ½ Cent sales tax also helps us to maintain the buses we currently have a goes to fund the purchase of new schools.

Budget Update:

<u>Budget Report:</u> <ul style="list-style-type: none">School Recognition Funds Received	<u>Available Budget:</u> \$81,701.11

Conference Feedback – Sherry Galbraith, Middle School ILC

- PLC conference- Amplify Your Feedback in March
- Looked at current research in PLC- It's not about what is wrong, it's how to make it better. We were able to evaluate where teams are currently and how we can help our PLC's stronger.
