Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the **1st Grade** Renaissance Star Early Literacy/or Star Reading and Star Math assessments on **December 4th and December 9th**. Your student's results from PM2 are for informational purposes only, and you will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. If you or your student would like to review Star Early Literacy, Star Reading, and/or Star Math sample items at home, sample test items are available at <https://flfast.org/families.html>.

The Star Early Literacy assessment typically 10-20 minutes to complete with 27 test items. Star Math assessment typically 20-30 minutes to complete with 34 test items.

If you have any questions related to this test administration, you may contact Synethia Williams at synethia.williams@stjohns.k12.fl.us or (904)547-3720 ext. 13747.

For more information about the FAST program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Ken Goodwin, Ed.D.
